SCT COVID-19 Spring semester 2022 Safety Plan

We are so happy to start on time with no delays to our classes. Our responsibility to keep our staff and students safe and healthy is our top priority. We will follow all CDC guidelines to keep our building clean, social distance, and stay in communication with our families.

Student, parent/guardian compliance

- Any student experiencing COVID related symptoms: itchy throat, sore throat, fever of 100.00 or higher, congestion, stomach ache, diarrhea must stay home.
- If a student has a positive COVID test 1-5 days after classes please contact Todd@sctkids.
- Contact tracing will be managed through the Executive Director. If a positive case is reported-parents/guardians will be notified via email. Non-vaccinated students will need to quarantine.
- If your child is quarantined due to possible exposure please do not send them to SCT.

- Parents/guardians will not enter SCT. They will drop off their children. The parking lot is a one way only
